FINDINGThere being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:**18 U.S.C. § 1516: Obstruction Of Federal Audit as charged in Single-Count Information****JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of:

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately.

Defendant shall pay restitution in the total amount of \$357,499 pursuant to 18 U.S.C. § 3663A, to victims as set forth in a separate victim list prepared by the probation office which this Court adopts and which reflects the Court's determination of the amount of restitution due to each victim. The victim list, which shall be forwarded to the fiscal section of the clerk's office, shall remain confidential to protect the privacy interests of the victims.

The defendant shall be held jointly and severally liable with the defendants in the related cases ("co-schemers") for the restitution amount to Medicare as ordered in this judgment. See list of co-schemers identified as defendants in the related cases below.

Defendant's liability for restitution ceases if and when defendant pays the total amount of restitution imposed as to the defendant as ordered in this judgment or when adding together the payments of all the below-listed co-schemers, the largest restitution obligation of any of these co-schemers is satisfied.

No restitution payment made by any of the other co-schemers in this case or any defendant in any of the related cases shall be credited to the defendant unless and until when adding together the payments of all the below-listed co-schemers, the largest restitution obligation of any of these defendants is satisfied.

9. United States v. Sri Wijegoonaratna, CR 14-512-SJO

The defendant shall make nominal monthly payments of at least 10% of defendant's gross income, but not less than \$100, whichever is greater, during the term of probation. Payments shall begin 30 days after the commencement of supervision. Nominal restitution payments are ordered as the Court finds that the defendant's economic circumstances do not allow for either immediate or future payment of the amount ordered.

The victims' recovery is limited to the amount of their loss and the defendant's liability for restitution ceases if and when the victims receive full restitution.

Pursuant to 18 U.S.C. § 3612(f)(3)(A), interest on the restitution ordered is waived because the defendant does not have the ability to pay interest.

The defendant shall comply with General Order No. 01-05.

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established that she is unable to pay and is not likely to become able to pay any fine.

Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, Janel Licayan, is hereby placed on probation on the Single-Count Information for a term of five years under following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation Office, General Order 05-02, and General Order 01-05, including the three special conditions delineated in General Order 01-05.
2. The defendant shall participate for a period of 8 months in a home detention program which may include electronic monitoring, GPS, or automated identification system and shall observe all rules of such program, as directed by the Probation Officer. The defendant shall maintain a residential telephone line without devices and/or services that may interrupt operation of the monitoring

equipment.

3. During the period of community supervision, the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment.

4. The defendant shall not be employed in any position that requires licensing and/or certification by any local, state, or federal agency without the prior written approval of the Probation Officer.

5. The defendant shall cooperate in the collection of a DNA sample from the defendant.

6. The defendant shall apply all monies received from income tax refunds to the outstanding court-ordered financial obligation. In addition, the defendant shall apply all monies received from lottery winnings, inheritance, judgments and any anticipated or unexpected financial gains to the outstanding court-ordered financial obligation.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

The Court advises the defendant of her right to appeal.

The bond is exonerated.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
